GAI (GAY AMERICAN INDIANS)

35th Anniversary Event

**Veteran's War Memorial Building
401 Van Ness Ave., San Francisco**

6:00PM-9:00PM

Come celebrate San Francisco's first American Indian LGBT Group established by local LGBT community members.

GAI was co-founded by Randy Burns (Paiute) and Barbara Cameron (Lakota Sioux) in July, 1975.

Our goals were to meet the special needs of the Bay Area's gay Indian community... a community comprised of numerous tribes, with various problems inherent with assimilation into the mainstream population. In the cities, we must fight racial prejudice, discrimination, and do not always enjoy the same opportunities as our counterparts in the larger gay community.
